# COMPANY BACKGROUND

Born from **my passion for cleaning** and the realisation that not everyone operates to the same standards I started Squeaky Clean in 2020.

With my vision of becoming the best cleaning company in South Yorkshire and not the biggest, we employ local people to serve the local community doing things right, first time.

Our team are **all DBS checked**, inducted and provided continuous improvement training to ensure **our standards never falter**. We are fully insured and accredited. Realising you always have a choice, we work proactively with all of our customers to ensure we tailor the correct cleaning package for them.

Offering a full suite of value added services to ensure our customers get what they need, when they need it.

# TESTIMONIALS

“Vicky and her team could not have been more helpful and thoughtful. From my initial enquiry to the end result. They handled with the upmost care and attention. I would recommend these guys to anyone without hesitation.”

**Sally Jenkins**

“I’ve used a few cleaners in the past but none compare to what Vicky and her team managed to do. I was really happy with the whole job and would not hesitate to use them again. I’ve happily passed on their details to a few companies i know and deal with. I know they’ll do an equally great job with those guys.”

**Martin Eccles**

“I was a little reluctant to get a cleaner as i felt a little embarrassed at how serious the issue had got, the hoarding, but Vicky and her whole team were fantastic, i have no complaints at all. The team made both me and my sister feel so comfortable and relaxed, they were so good. Our home now looks and feels like it should, a home. I really am over the moon.”

**Kath Watson**

“The property i recently bought was in a truly disgusting state. I feel it had been used as a place for youths to hangout and this had left the interior in such a state. There were even instruments for taking and using drugs, it really wasn’t a place i wanted to be and certainly couldn’t be rented in that state. The team were amazing and now the place looks all set for me to let it out. Great job guys”
