Introduction

Born from my passion for cleaning and the realisation that not everyone operates to the same standards I started Squeaky Clean in 2020.

With my vision of becoming the best cleaning company in South Yorkshire and not the biggest, we employ local people to serve the local community doing things right, first time.

Our team are all DBS checked, inducted and provided continuous improvement training to ensure

our standards never falter. We are fully insured and accredited. Realising you always have a choice, we work pro-actively with all of our customers to ensure we tailor the correct cleaning package for them. Offering a full suite of value added services to ensure our customers get what they need, when they need it.

Our Services

Domestic Cleaning

The service is flexible and affordable. It is designed to meet your daily needs and facilitate your life on a day to day basis. We are professionals and we will take care of your chores. Our team are dedicated to provide reliable and efficient services to our clients.

We recommend two Deep Cleans annually. Building on our Basic Home Cleaning service, the Deep Cleaning takes care of the less accessible areas around your home including those problem areas under beds and furniture, and inside appliances. We even wipe down window blinds! You don't have to be there while we work. Just let us know how to get access

Domestic Deep Cleaning

Moving In or Moving Out

Moving is an incredibly busy and stressful time, so we'd like to take one thing off your mind by cleaning one or both of your spaces. Whether you are moving in or moving out or both our team will make sure everything that needs to be cleaned in one or both spaces is expertly cleaned on-time! We will ensure your previous home or new empire will feel like it's never been lived in before.

A neat, tidy office is the hallmark of a professional business, allowing employees to focus on their work. A poorly maintained office is a health hazard which can harm productivity and make a poor impression on visitors. Our professional office cleaners will keep your office in tip top shape by performing a thorough cleaning and tidy up operation at a price you can afford.

After all the complicated construction activity has been completed you want to hand over the project to your client in pristine condition. Let our experienced and professional team focus on the finishing detail allowing you to focus on the all important handover with your excited customer.

Our **Value Add**

01 Boiler **Service/Replacement**

Buying a house is an investment that needs to be protected. A little preventative maintenance can go a long way towards keeping your property's value and avoiding costly repairs. Our fully qualified partner network can visit your home and service/repair or replace your boiler at a time that's convenient for you.

02 Carpet & Oven **Cleaning**

Busy work schedules and family lives leave us short on time to focus on some of the TLC our homes often need over time. Our team of professional partners can help bring the sparkle back to ovens and carpets using the latest technologies and products.

03 Laundry **Pressing**

Let us help with that often back breaking work of pressing your laundry. We can either press your laundry in your home or we can take it away and return it to you at an agreed time.

Our Clients

Helen Penistone

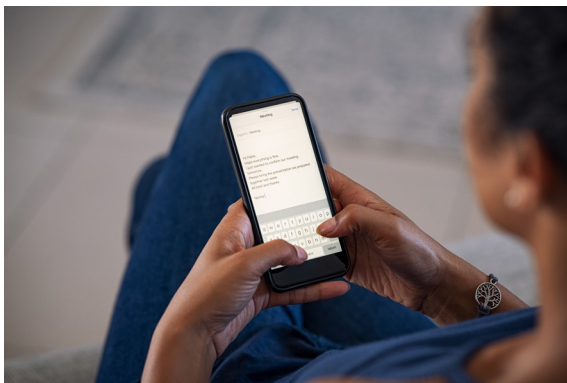

After having some building work, I asked Squeaky Clean to do a deep clean, including carpets.

I've had deep cleans in the past, but Vicky at Squeaky Clean has gone above and beyond. Her attention to detail, the time effort put in along with the meticulous clean from ceiling to floor and everything in between is incredible. Not to mention all the little touches I wasn't expecting. I can't recommend Vicky enough.

Catherine Oxspring

Had our first clean from Vicky at Squeaky Clean yesterday and the house looks fantastic, don't think we've seen it so clean. Would thoroughly recommend lovely finishing touches and overall great experience.

Emily Thurlstone

Vicky came to do her first clean yesterday and I am absolutely over the moon! Our house looks and smells like new from top to bottom!!

The dedication, high standards of care taken was amazing and even going the extra mile fixing some shelves on a unit which, had broken. Vicky is absolutely lovely and a real professional who works incredibly hard to really make your whole house gleam. I can't wait for the regular cleans to start and I can't recommend Vicky highly enough!
